

School improvement priorities overview 2019-2022

Year 1: 2019/2020	Priority
1	To improve the standards for all groups of learners across both phases in Literacy and Maths, and to raise pupil competence in application of skills across the curriculum
2	To embed a culture of confidently teaching ICT skills and further enhance the security and safety of pupils using technology
3	Develop a creative and challenging curriculum which provides relevant experiences to equip children for life long learning
4	To provide opportunities for staff to develop and enhance their professional knowledge in order to progress the quality of teaching and learning for all pupils and secure school improvement
5	To ensure the Christian Character of the school supports the spiritual, moral and cultural development of all learners
6	To promote health, wellbeing, inclusion and positive attitudes to learning in order for pupils to grow as healthy and confident individuals

Year 2: 2020/2021	
1	Embed a creative and challenging curriculum which provides relevant experiences to equip children for lifelong learning
2	Improve standards in Science and Technology in KS2
3	Increase parental engagement

Year 3: 2021/2022	
1	Engage with ALN reform
2	Continue to develop Christian ethos throughout the school
3	Improve pupil outcomes in Welsh
