### MP Visit

On Friday, the Right Hon. Nick Thomas-Symonds MP visited our school. He joined us for collective worship where he was treated to musical performances by some of our pupils. He also heard about some of the fantastic achievements of our pupils in the community as they showed their certificates, medals, trophies and artwork. We were very proud to then take him on a tour of our school. Nick then recorded a Podcast with our Digi Leaders before answering lots of questions from Year 6. He was amazed at the quality of the questions! Year 6 asked about everything from speed limits to the stock exchange!

### Attendance

Attendance has taken a bit of a dip with the usual winter viruses. However, we are hanging on to 92% thanks to all your support. Thank you for avoiding booking appointments during registration times and for not taking term-time holidays.
